Surprise!

The library is

a wonderful place to spend some time! We have great services and resources to offer, including computers, a printer, a copier, a fax machine, databases,

conference rooms, comfortable chairs, videos, magazines, and...books! Students are welcome to use any of our services (many of which are available off-campus as well), most of them for free! We also offer orientations for our on-line

resources, so if your instructor doesn't schedule a library session, please stop in and see what we have to offer. *And don't forget to bring your warm cup of cappuccino or coffee with you—we don't mind!*
